Johnny Moss and Sam Bennett ought to stop meeting like this!

*Walking down these halls
there seems to be an
emptiness within us.*

What is a guy like Dickie Rader doing in a place like this?

SENIORS

Charlotte O'Neal seems to be looking for someone.

Soon, we will be strangers in a place we have almost lived for four years, but I guess we will have to leave.

Nancy Rickman reflects her memories of the past.

JUNIORS

Lee Young concentrates on his sucker in preparation for the big game.

*We are finally at the top. It has taken
long enough to get there. What do we do now?*

Joy Pague and Don Manzoine get a little rowdy between classes.

Susie Smith tells Bonnie Simpson a thing or two!

Terri Villa doesn't wear that star on her uniform for nothing!

It's all going by so fast. Maybe we can make it bigger and better. We can try!

Theresa Ramsey displays her talents in art.

Another year and we have moved up another step higher. It will not be much longer now.

Philip Butler is a dog's best friend.

Brian Kodman concentrates on the strategy of the JV game.

It seems like only yesterday that we just arrived here. Suddenly, we have changed overnight.

You know that smile belongs to Paulette Moseburger!

SOPHOMORES

Duke Rollins, Lemmy Quidgeon, and Peter Schmitt take a peek around the corner to see what's in the green room.

It is all so different! Where do we start and what do we do? We are new here, and it is all so strange, but we will manage.

FRESHMEN

"Don't take it out on me just 'cause I'm Lee Young's brother," says Brian Young!

Bobby James, Lisa Howard, and Richard Cutchins see no evil, hear no evil, and speak no evil.

We have heard so many stories
and they are all true! How can
we ever live up to them?

Connie Moore smiles at her notebook.

Claudette Mosberger has got your number!

For one year we have all been through it together - the happy moments and the sad ones. We depended on each other to make things work!

SOPHOMORES JUNIORS

Jimmy Topping and Wanda Hale must see something we don't see!

Bonnie Kidd says, "Peek a boo!"

And work they did. The year of 1975
at WWHS was a challenge, a reward,
and a time to remember for us all.

Here we have David Foster biting his lip as he ponders.

1974-1975 HOMECOMING COURT

HOMECOMING QUEEN—NANCY RICKMAN

Nancy and Richard at halftime.

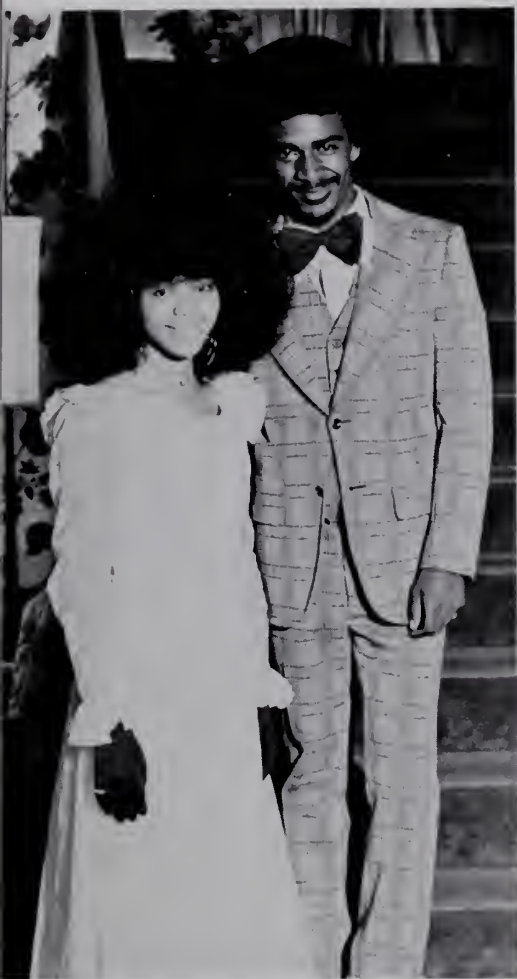

Queen: Nancy Rickman
Escort: Richard Roche

Dr. Morlino crowns Nancy.

The 1974-1975 Homecoming was truly an event to remember. The classes of 1948½ and 1949 were honored. Instead of the alumni presenting the assembly the S.C.A. entertained the student body with glimpses of the past. To get more spirit the students dressed in styles of the 40's. The crowning of Nancy Rickman as queen was the highlight of the halftime and Karen Carswell was elected as maid-of-honor. Our defeating the Braves 12 to 6 was an added surprise.

GRADUATION '75

WILSON HIGH SCHOOL ALMA MATER

Wilson High School Alma mater,
Loud we sing thy praise.
All thy loyal sons and daughters,
Hearts and voices raise.
May thy name e'er stir our memories,
All our zeal inspire;
And to bring to thee fresh laurels,
Be our hearts desire.

Stalwart sons will e'er revere thee,
Proudly boast thy fame.
Should dishonors threat come near thee,
Thy just praise proclaim.
Through the ages we will cherish,
And we'll pledge anew.
Honor, faith, and deep devotion,
Wilson High to you.

. . . BECAUSE THEY TRY HARDER!!!

Well, it's hard to believe but the Seniors of 1975 will be walking down the halls of Woodrow Wilson High School for the last time. When they came in 1972, they came to a different school than they will graduate from.

The Seniors had some hard times. In 1972, they were freshmen amazed at how big Wilson was. Now they know 'ole WWHS like it was the back of their hand. In 1973 came the biggest year of adjustment. Not only was it hard for the freshmen who came in 1972, but it was just as hard for the sophomores of 1973 who came from Norcom. It took a year but they did it. They both finally accepted each other and the school they were forced into together. In 1974 they were finally united.

The juniors of 1974 stood tall for the colors of orange and blue. Nothing could stop them. A victorious football team reigned that year with the aid of these juniors. Also, the juniors presented a very successful Prom, "Colour My World" to the seniors of 1974. The musical that year, "The Music Man", was also a success due partly to the '74 juniors.

They finally got to the top of the ladder in 1975! They were seniors—not "punky freshmen", that was a long time ago—but SENIORS!!! The seniors of 1975 led everything. They prevailed on the Varsity cheering squad, basketball team, football team, in dramatics (as was shown in their final musical "Fiddler on the Roof"), in the Forum, and many other clubs and extracurricular activities. They left their mark everywhere for others to see. They will be gone, but they will always be remembered!

INTRODUCING THE . . .

“1974 FIGHTING PRESIDENTS”

Front Row: Jimmy Topping, William Bell, Gary Morrison, Joshua Raynor, Charles Boomer, Nathaniel Boomer, Melvin Riddick, Nathaniel Scates, Frankie Moore, John O'Neal. Middle Row: Lee Young, Herman Collins, Reginald Williams, Arthur Jones, Larry Stewart, Willie Watson, Carl Ellis, Bernard Jones, Woody Franklin, Charles Goosby. Back Row: Coach Crigger, Coach Mollenhouer, Tyrone Lawton, Charles Amos, Kenny Edwards, Phil Harrell, James Burden, Mike Antonnuci, Russell Collins, Sylvester Mills, Coach Sherrill, Coach Eddie Bulheller.

What should have been another championship year in the long history of Wilson football, turned out to be another rebuilding year. Coach Eddie Bulheller and staff were looking forward to another great year, saw it fade away in early August as only 12 returnees reported to practice out of 22 possible candidates. The biggest drain was the decision on August 19th to allow several players to transfer to Norcom.

However, Wilson survived the second sacrifice in three years to appease other schools and fielded a team. The Presidents got off to a slow start losing to Western Branch, Manor, and Churchland, but showed improvement in each game. Wilson got on the winning side of the record with a Homecoming victory over Indian River 12-6. In a highly defensive game, Wilson tied Deep Creek 0-0. The Presidents staged an upset victory over Great Bridge 10-6, and ended the season with a shutout victory over Cradock 22-0.

The Presidents finished with a 3-6-1 record but showed great improvement. In closing Coach Eddie Bulheller was quoted as saying “Here at Wilson our school tradition and young men have payed a great price to continue playing football.”

Concentration is part of the game.

“Wilson is Number 1, ‘Dog gone it’”, says Buppy.

Dr. Morlino is part of the team.

“PRESIDENTS WIN ANOTHER HOMECOMING”

The scoreboard told the story.

James, Melvin, and Fans rejoiced over homecoming victory.

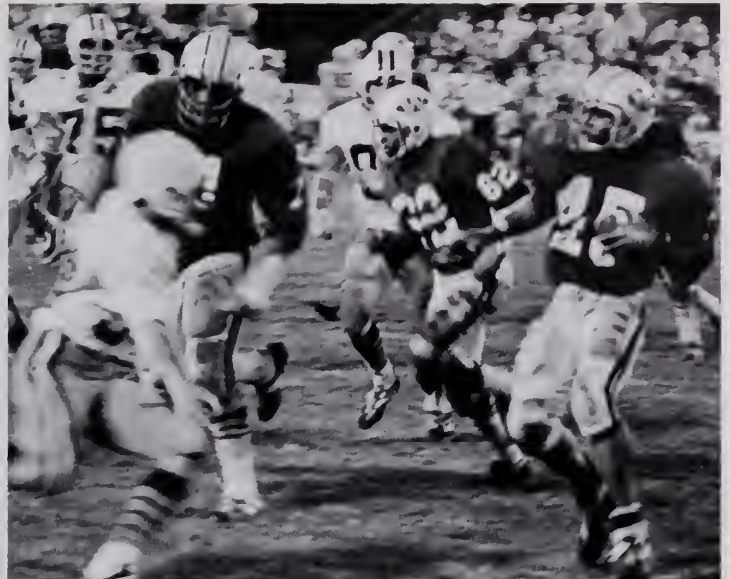

Bonnie and Diane paid their last respects to the Braves.

As the season had started slow for the Presidents, they were out to seek their first victory, but that first victory was more than just a victory; it was a homecoming victory. We were facing a team with identical records. From the kickoff time, it took Herman Collins no time at all to pile up the first touchdown. As the game progressed, we found that John O'Neal played his part well by putting six more points on the scoreboard. This brought the final score of a 14-0 victory over the Indian River Braves.

Coaches and players concentrated hard on the game.

John O'Neal rushed against Indian River defense.

Donna cheers for J.V. football team.

The season started with a win over Deep Creek 8-0. Wayne Wilson scored on a 5-yard run and made the 2 point conversion. Defensively, the whole team did well. Indian River scored with less than a minute left to upset the Prexies 12-6. Calvin Sykes set a Junior Varsity Record by running 95-yards for the Prexie touchdown. Western Branch built up an early lead but were scared in the fourth quarter when the Presidents scored twice: Calvin Sykes threw to Brian Kodman for the first touchdown and Lemenl Quidgeon threw to Wayne Wilson for the second. The best effort of the team was against a much superior team physically. The Manor team outweighed the Prexies by as much as 40 lbs. a man. An inspired effort by the whole team allowed the score to be 6-6 at half. The tying score came when Wayne Wilson ran 14-yards for a touchdown. Manors score came with a minute left to go in the game, however to subdue an outstanding effort by the Prexie's clever. The Prexies moved the ball with futility.

The Liners who did a solid job all year include: Larry Newbie, Dan Wagner, George Brooks, Edinburg Williams, Bobby James, Philip Jordan, B. T. Green, Nathan Fields, Larry Barrow, André Watson. The punter was Brian Kodman who had a 31.4 average. The center was Duke Rollins who had perfect snaps and no errors.

"Freshmen are you with us?"

The PRIDE AND JOY of Wilson High School once again regains the tradition that makes this school what it is. These cheerleaders cheered through rain, sleet, cold nights, losing seasons, and everytime they cheered as if it was the first game of the season. The response they received from the fans was incredible. This year a losing season made no difference! A Prexie is a Prexie, through and through, win or lose!

With Miss Elaine Wilson's guidance as sponsor, the cheerleaders endured many long practices, which all payed off. Many of the cheerleaders on the 1974-75 squad had previous cheering experience from years before, so the main objectives were perfecting mounts, jumps, and cheers, and regaining school spirit.

Gale and Bonnie hang in there.

For the second year that Wilson has had a girls' basketball team, they did more than could ever be expected from a young team. They had a regular season that no one could beat—8 wins and 0 losses. High scorers for the regular season were Rosa Bell with 130 points, Norma Moore with 115 points, Sandra Reid with 59 points, and Brenda Moore with 30 Points. 1975 proved to be a very rewarding year for these girls.

CROSS COUNTRY RATE AAA

With only one runner returning from last year's team, Alan Betrand, this season was a season of rebuilding for the cross country team. After losing the opening meet to Great Bridge by five points, subsequent losses followed to Western Branch, Indian River, Deep Creek, and Manor. Our team concluded the regular season by defeating the Norcom Greyhounds.

In the district race, our team finished seventh by defeating Norcom, Churchland, and Oscar Smith.

Front Row: Elton Finch, Tony Wright. Back Row: Alan Betrand, Mike Goosby, Mike Jones, Coach Ken Hopkins.

1974-75 GIRL'S HOCKEY TEAM

Top Row: Rita Perry, Lene Outland, Sherrie Pollard, Nisey Hunter, Annie Outland, Stephanie Rollins. Bottom Row: Shirley Brown, Belinda Hyman, Hybrina Robinson, Glendolynn Thorn, Gwen Hodges.

The agony of defeat.

This year's hockey team managed to pull through the season despite Numerous obstacles. Lack of near-by opponents limited the number at games, and the long distances to the competing schools prevented team support. The team itself was only one string with a few substitutions, which didn't leave us much to draw from. Despite these and other impediments, they managed a 2-1-3 season. Many of the players were new to the game of hockey and for them it was a learning experience. Outstanding players were the co-captains Belinda Hyman and Shirley Brown. Hybrina Robinson, a first year goalie saved many goals for our team. All in all, the teams efforts provided a good foundation to build upon next year.

The joy of victory!

WILSON HIGH WRESTLERS

Leo traps his man.

The Wilson wrestling team posted its best record in three seasons this year. Although the team won only three matches and tied one, they did send six wrestlers to the Southeastern Regional Tournament. Those advancing to regional competition were; Irewood Smith, Andre Booker, Guy Wong, Michael Folston, Wayne Bashay, and Larry Stewart.

The most successful wrestler was junior Larry Stewart, who posted a 20-2 record. Larry's only losses came in the finals of the Regional and State Tournaments, both to the same opponent.

Coach Bill McGlaughon is looking forward to next year, when all of this years wrestlers will be returning except Guy Wong.

This year's basketball team had an excellent record of 17 wins and 5 losses, and a 15 and 3 District Record.

The team scored in the 90's twice and went over the century mark against Cradock.

The key to the team's success was balance in scoring. Four of the five starters averaged double figures.

Highlights of the season came in the middle of the year when Wilson handed Norcom its only regular season loss—72-66.

J.V. BASKETBALL TEAM CAPTURES A 13-5 SEASON

The 1974-75 Junior Varsity basketball team was one of the most successful in Wilson's history. The team compiled a 13 win, 5 loss season while finishing second in the district. The team was led by captains Mike Bazemore and Calvin Green. The leading rebounder and most improved player was Stanley Hall. Freshmen who started and show great promise are "Joe Ball" Goosby and Willie Watson. The biggest victory of the year was the sound defeat of the best J.V. Team in the area, Great Bridge.

Other valuable players include, Marvin Cherry, Tim Madden, and Carl Ellis. Other return players are Wayne Winborne, Keith Jones, Anthony Whitehead, John Pressely and Willie Miller. With the graduation of many Varsity players, this year's J.V.'s will have a great chance to walk into a starting position.

GOLF '75

The year 1975 will be a rebuilding one for the Wilson golf team. There are three sophomores and five freshmen competing for the four spots available in each match. Hopefully, this will be the year when confidence is established in these young players and next year will bring the championship.

THE JOYFUL JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders' squad was not very large this year; however, what they lacked in number, they made up in talent. Not only did they cheer at all the Junior Varsity football and basketball games, but they also cheered at a few of Wilson's girl's basketball games, held a bake sale, and sold homecoming corsages. They also sold programs at the varsity football games and helped the varsity cheerleaders by giving them support in the stands at games and in the aisles during pep rallies.

Brian begins to swing for the ball.

This year, 1975, will be a rebuilding year for the tennis team. Helen Smith, Sandy Sawyer, Tammy Peters, and Lee Young, all juniors and Mindy Silberstein, sophomore are returning from last year. Two new players, Brian Kodman, a sophomore, and Wayne Bashay, a junior, have joined the team. Coach McMillian is concentrating on team effort and strategy, working toward a competitive season. A good performance is expected from junior, Helen Smith; however, the entire team is working toward a good overall record.

The 1974 baseball team, under the direction of Wayne "goosie gander" Prince, finished high in the district standings, losing only 5 of their 14 games. The Presidents were led by John Moss, Dan Brower, Jimmy Topping, and Mike Lipford. The team had the potential to win the district, but lost heartbreakers to Cradock and Deep Creek.

The 1975 team also has hopes of finishing high in the district standings. The battery of Phil Harrell and Jimmy Topping should play an important role in the success of this years team. Topping led the team in hitting last year and is regarded by many as the best catcher in the conference. Returning to the team along with Topping and Harrell are Timmy Madden, Woody Franklin, Nate Skates, Russell Borjes and Bob Tyler. If this team uses "a little savvy" as Coach Prince wants, they might go all the way.

Outstanding individuals who are not back this year are: James Doughtie, Richard Rodgers, Marion Jones, and Tommy Thomas; but Coach Bill McGlaughon is looking forward to the 1975 season when sprinters Buddy Raynor and Willie Jackson will be returning. In field events Larry Stewart, Melvin Riddick, Arthur Jones, James Whitehead, and Calvin Brown combined to give Wilson another successful year.

The 1974 track team posted a 7-0 dual meet record, and out-scored their opponents 665 to 245. Wilson's success did not stop with dual meet competition, because in the following two weeks they went

THIRD YEAR FOR "GIRLS TRACK TEAM"

The "Girls Track Team" had its best year in 1974 with a 3-1 record. Girls that have returned from last year's team are as follows: Shirley Brown, Nesy Hunter, Belinda Hyman, Jackie Rooks, Debra Vann. The girls had worked very hard each day in their effort to win each meet and they are working just as hard this year. Some of the events are the long jump, high jump, 100 and 220 yd.-dash, 440 relay, medley, 880 yd.-run, low hurdles, shot-put, and the disc. Diane Blunt was the most outstanding senior on the team; she competed in the shot-put, disc, and the 100 yd.-dash. The girls had a good season and this year should be just as promising.

Back Row: Teresa Evans, Cheri Pollard, Jo Ann Pollard, Wilma Ricks, Belinda Hyman, Jackie Rooks, Lisa Parker. Front Row: Mrs. Ripley and Bo, Stephanie Rollins, Cheryl Deans, Shirley Brown, Debra Vann, Nesie Hunter.

Belinda uses her ability to throw the disc.

The '74-'75 French Club has had a very busy year. The twenty-five members and their enthusiastic sponsor, Mrs. Gladys Williams, worked hard to make the year a great success.

At the bi-monthly meeting in September and October, an idea was transformed into definite plans to make a trip to Canada in May. Various useful articles, known as the Tom-Wat Showcase, were sold, raising close to \$1,000 in profit. During this time some club members went to La Crepe, a French restaurant in Virginia Beach. There they enjoyed gourmet dishes and a chance to hear the French language in use.

With the beginning of a new year, the club sold candy and raised \$300 more. In February, the French Club and classes began to plan for Foreign Language Week in March. Posters were made, bulletin boards were decorated, and poems were recited. Students prepared various dishes for the International Buffet, the climax of the week.

Finally, it was time to go to Canada! The two cities on the tour were Quebec and Montreal. Many famous landmarks and quaint shops were visited. The trip was truly the highlight of the year. It proved that when one is willing to work, anything can be accomplished.

French students study the many verb tenses.

The main objective of the forum is to sponsor the forensics team, Wilson's speech team. This program of sponsoring the team continues throughout the year and all team members belong to the forum. The forensics team represents our school in district competition and invitational meets.

Members were inducted into the Society at a special assembly to which their parents were honored at a reception given by the National Honor Society.

The club raised money by sponsoring a car wash in the fall. A Christmas toy drive was held to give toys to needy children.

Assistant Principal in Charge of Instruction.

HORACE S. SAVAGE, JR.

DR. VITO J. MORLINO

Our past principal Dr. Vito J. Morlino was associated with Wilson for only 2½ years. During this time he became a special part of our school and our student body.

DAVID W. JOYNER

Dr. Morlino is a member of Sigma XI, the Virginia Education Association, and is now working as Coordinator of Secondary Education in Portsmouth. He has attended St. Paul High School, Fordham University, William & Mary, and the University of Virginia.

He was pleased this year with the improved behavior of Wilsonites in the cafeteria and in areas of attendance and tardies. Dr. Morlino hopes Wilson will remain No. 1 in all areas of school life. He says he is proud to have been one of Wilson's Principals.

THE FOUNDATIONS

WILLIAM P. BURTON

These are busy times as we cross the half year mark moving toward the conclusion of a real successful year here at Wilson. This "new" Principal is indebted to Dr. Morlino for the fine job he did in making my change to Wilson so pleasant.

The staff (everyone) at Wilson has just been outstanding in doing whatever could be done to make the transition a smooth one.

The students have responded in a positive manner to the few things I asked that they continue to strive for to uphold the wonderful tradition and history of Woodrow Wilson High School. These are:

1. Development of real allegiance to our unique Wilson Code.
2. Increased school spirit expressed by leading in regular school attendance and classroom achievement.
3. Increased participation in school activities.
4. Increased participation in reaching out into our community to help our society and our fellowman.

OF OUR SCHOOL

My goals for the present are to continue to work for the aims expressed in the Annual School Plan established by Dr. Morlino; to increase involvement of the community in advisory roles; to work for a complete outfitting of the school band for next years football season; to expand the influence of our outstanding Reading Program; to expand the special offerings of our Business Department; to work toward increased individualization of instruction within the existing class arrangement; to assist in a broad school involvement in the Bicentennial Celebration of our city; to organize an effective club program within our school, with regular "in school" club meeting time; to expand the role of the homeroom representative system of Student Cooperative Association Government; and about a thousand other things that our students and faculty would want for our school.

This is a particularly exciting job because of the excitement and job interest of those involved in education at Woodrow Wilson. We have a school that we are proud of and one in which the community can be proud.

HOME ECONOMICS AND FOREIGN LANGUAGE

Jaun Choate is one of Mrs. Riddick's best chefs!

Mrs. Curlee explains the nutritional values of the four food groups.

French students learn proper verb conjugations.

Sharon enjoys a Home Ec meal.

Home Economics was a course designed to prepare boys, as well as girls, for everyday living. Students learned proper food preparation methods, sewing skills, and good manners. This course helped prepare students for the day when they will be on their own.

Foreign language classes were essential for students preparing for college.

French students, as well as Spanish students, studied the culture of their country, learned how to speak their language, and learned grammar skills. French students who participated in the trip to Canada in the spring applied their knowledge of the French and their language. The Foreign Language Banquet was another highlight of the year for foreign language students.

Mrs. Williams tells her Spanish class "Hola".

PHYSICAL EDUCATION

Sophomore girls' gym class builds up for physical fitness.

Basketball is a favorite part of boys' gym.

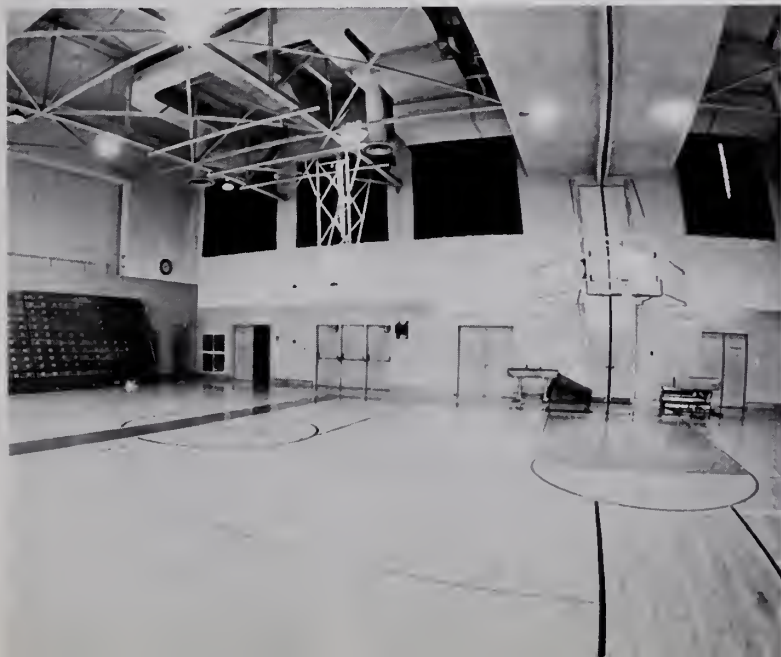

Mrs. Ripley instructs the way to do a proper handstand.

Students aid others in learning basic skills.

The Woodrow Wilson High School gym before the rush hour.

Physical education was a required course for freshmen and sophomores at Woodrow Wilson High School. Although it was required, students still participated fully and whole-heartedly. Such activities as field hockey, basketball, baseball, gymnastics, tennis, and soccer were enjoyed. Whether good weather or foul, students always did their best to increase their physical health!

MATHEMATICS AND SCIENCE

Algebra is so exciting!

The Science department offered a wide variety of subjects. In this field of endeavor, students have been known to have performed a wide range of experiments from dissecting frogs in Biology to bouncing Slinkies down the hall in Physics.

The Mathematics department provided numerous learning experiences for Wilson's students. With the help of slide rules, protractors, and square roots, Math students discovered that "it all adds up"!!

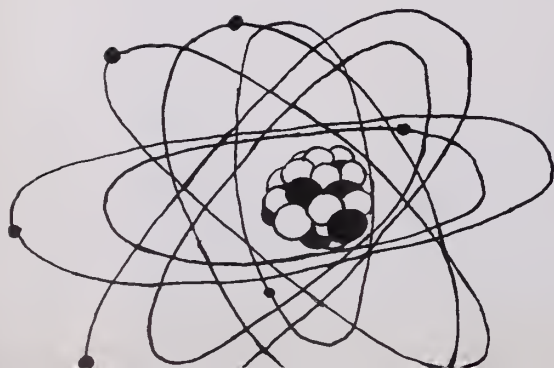

Frances Matusiak works diligently.

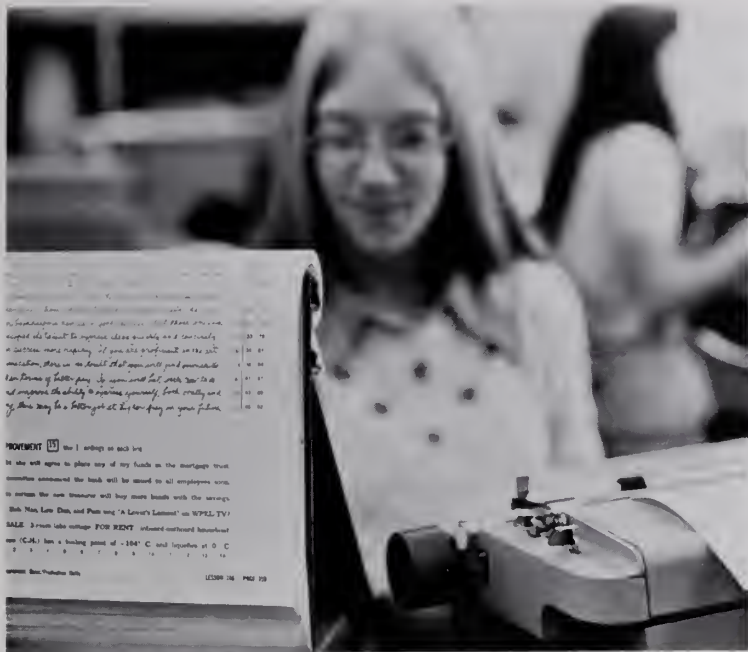

Mrs. Edward's Chemistry class observes the Geiger counter.

Physics students study hard for upcoming lab.

ENGLISH AND BUSINESS EDUCATION

Donna Cox concentrates hard on timed-writing.

Typing is an essential skill in business education.

Vivian and Carolette discuss a problem in clerk typing.

Business was a big part of Wilson's academic curriculum. The skills one developed were numerous and helped a great number of students acquire jobs. This was the main objective of business education—to prepare students for a career in business.

English is a mandatory subject at Wilson High School. Students in grades nine through twelve learned to enjoy Macbeth, Julius Caesar, abstract nouns, and relative pronouns. The English department helped to improve a student's grammar, vocabulary, and writing ability.

NG ROOM

Students take advantage of the English Reading Room.

Mrs. Paige has her class's undivided attention.

Miss Shumaker's accelerated English 11 class works diligently to finish six-weeks test.

VOCATIONAL EDUCATION

D. E. students work with overhead projector.

Debbie and Aretta talk over the values of vocational education.

I.C.T. requires study, also!

You shouldn't be doing your English in I.C.T., Scott!

Distributive Education taught the students the necessary skills for securing employment. D.E. was a very successful work-study program at Wilson. It taught career opportunities in marketing and the field of distribution as it serves the customer.

Industrial Cooperative Training taught the students skills in the classroom and also gave them a chance to earn money by on-the-job training. In school, I.C.T. helped to prepare students to be more knowledgeable employees. On-the-job training gave the students first-hand experience and gave them a chance to show the skills they had learned in the classroom.

Students in I.C.T. prepare for upcoming project.

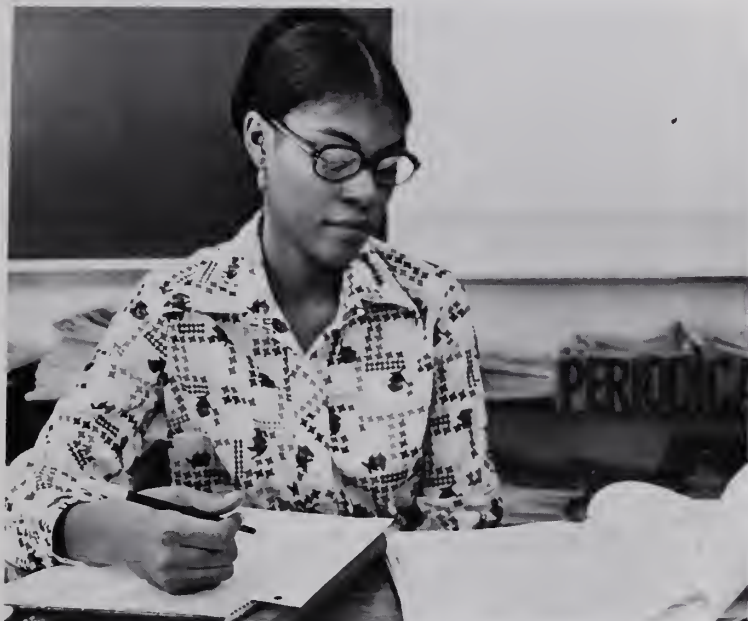

SOCIAL STUDIES

Don Manzione racks his mind for the answer!

Student-teacher, Mrs. Jones, searches for a needed magazine in the research room.

Galena Everett sets her mind on government.

Miss Stewart shows Terri Villa some mistakes on classwork.

Social Studies was a vital part of the curriculum at Woodrow Wilson High School. From the time the students were freshmen, they were involved in such interesting subjects as World History, World Geography, Sociology, and Negro History. All juniors were required to take United States and Virginia Government. Humanities was one more subject offered to seniors who had a great interest in learning about the Fine Arts. Several classes in the Social Studies department were involved in special projects—the Negro History class was responsible for Black History Week and the Humanities class took numerous field trips.

Kim Doust hunts to find a book in the Social Studies workroom.

INDUSTRIAL ARTS

Nathaniel Boomer and Larry Stewart use their learned skills in wood shop.

Mike peers through the window of his work.

Mr. Hinton instructs proper use of electric saw.

Don't saw off Mr. McGlaughon's head!

Students examine finished project.

The Industrial Arts department consisted of wood, machine, metal and electrical shops. Communications and Mechanical drawing were also courses included. Students learned the proper use of various tools and the operation of numerous machines. These classes helped to sharpen students' manual skills.

ART AND MUSIC

Orchestra students rehearse diligently.

Mrs. Sweet, head of the Art Department, works on tomorrow's lesson plan.

Students in art learn a wide variety of skills.

Mrs. Joan Evans gives it all she's got while directing mixed chorus.

Wanda shows her talents in weaving.

The specialized Art program in the Senior High School should be broad enough to span the interests of the gifted, and enrich the lives of all art students. Emphasis should be placed on quality and growth in the various areas through a spiraling process.

The scope of the program should be so geared as to offer instruction for the college-bound art student, saleable skills for the occupational-directed art student, and leisure time enrichment for all.

The music department consisted of the vocal department, band, and orchestra. Students involved in this department participated in such classes and activities as marching band, concert band, mixed chorus, orchestra, and the small mixed vocal ensemble, Presidents and First Ladies. Students left these classes with enough knowledge to continue their study of music in college or just to be able to enjoy music of all kinds at a higher degree than the normal person.

UNDERCLASSMEN

The intense concentration required in Math and Science, the demanding attention for accomplishment in Language and History, the necessary application of skills in Home Economics and Industrial Arts, and the plain exertion of energy in Physical Education, all add up to an occasional breather. A time to day dream, to share gossip, and to let off a little steam through laughter, make the passing of the day a little easier.

- Wilson wrestler gets two points for a take down.

Who's the best? Wilson! Say it again! Wilson! But louder! Wilson! Louder!

Gift of youth.

This gift was embodied in a mythical ring belonging to a hero, Ogier the Dane. Ogier's ring not only removed the wearer's infirmities; it also restored his youth. Try your Balfour class ring 50 years from now. Maybe it can do the same.

JEWELRY'S FINEST CRAFTSMEN

Johnny Oleyar, David Nettles, and Juan Choate seem unimpressed with mechanical drawing.

Curtis Drake struggles through a Physics experiment.

Didn't you nearly fall asleep during Baccalaureate? We had to be the best Senior class here at Wilson! We always were louder at the pep rallies than everyone else. Aren't you glad Government and English 12 comes only once in your life?! Too bad we didn't get exempt from more exams than we did. It sure was nice having front row seats in the auditorium for assemblies. Remember saying how you wished school was all over, but on graduation night you wished you could stay forever!

There couldn't be anyone nicer than Connie Blevins!

SENIORS

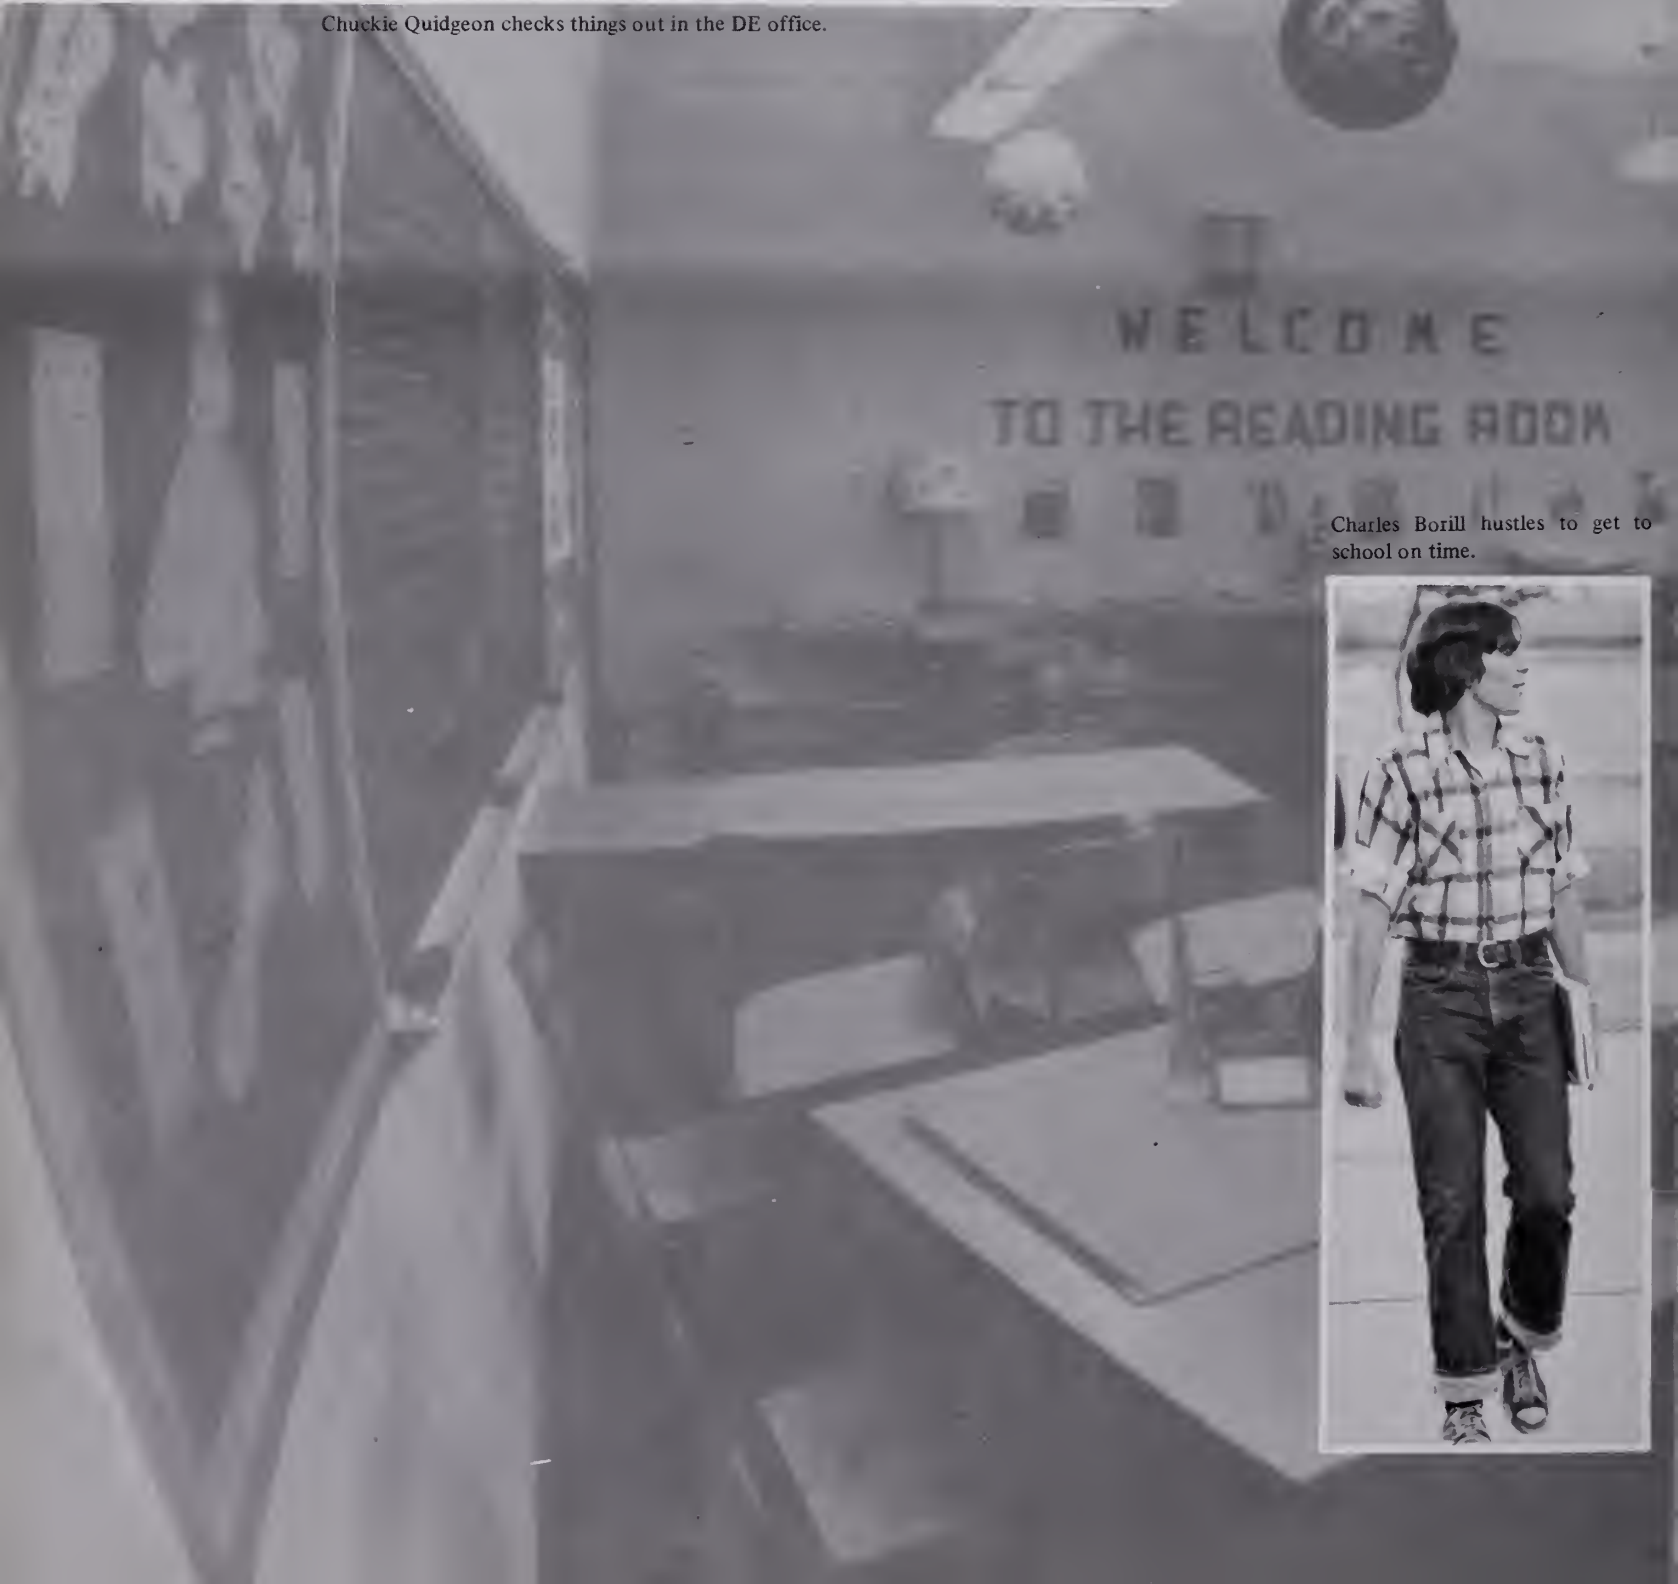

Julie Butler checks out the card catalog in the library.

William Bell takes it easy under the shade of a tree.

Chuckie Quidgeon checks things out in the DE office.

Charles Borill hustles to get to school on time.

Phil Harrell keeps his Wilson hat on top of his book—you never know when you'll need it.

JUNIORS

Kathy Fields is just astonished by what Coach Molanhouer is saying about U.S. History!

We sure did a lot of work for the Junior-Senior Prom!! It took long enough to get here, but it was great! Finally—our class rings got here. Everything seemed to have taken its time this year. Soon we'll be Seniors. It's hard to believe! Weren't those Achievement tests enough to put you to sleep? And the Senior math test! That was so easy! We sure had enough dances listening to D.J.!

Mike Averett advises Cathy Gay on her painting.

Emmitt Williams builds up his muscles.

SOPHOMORES

We are no longer "punk freshmen" thank goodness. Remember all those days everyone else was being tested and we were entertained in the gym? Wasn't it a break from gym going out to Drivers Education and putting those Volkswagens into third while the teacher wasn't looking!! And speaking of gym! It's the last year we have to take it.

Debra Satterwhite indulges in a book.

Wayne Silverberg gives us a little smile.

Tony Thorton doesn't think much of James Hurt's joke.

Sherry Mason refuels with some water.

Freshman Orientation sure was full of surprises! That "sucker" skit the Varsity Cheerleaders played on us wasn't really that funny! It seems like we'll be lower classmen forever. Those Seniors sure thought they were big, but WE KNOW, we out did them at a couple of pep rallies!!

FRESHMEN

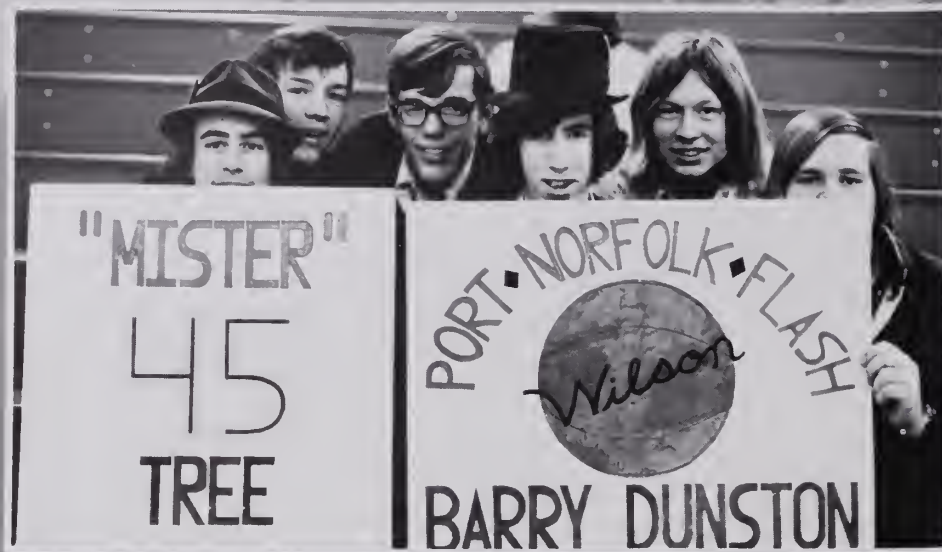

Russell Collins picnics on the picnic table.

Loretta Tretola isn't real impressed with school.

"The gang" is always there to support the Prexies who shoot the rock.

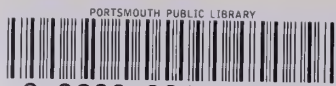

AND SO ENDS ANOTHER YEAR AT 'OLE W.W.H.S. . . .

Diana Davis takes advantage of the mirror in D.E. class to brush up on some things.

Nate Scates knows how to pay attention.
